Cast Aluminum Post

Post:
The post shall be all cast aluminum construction, using cast iron tooling, consisting of an octagonal tapered base and a 18 flute shaft with a 3” tenon for luminaire mounting. A door is located in the base for anchorage and wiring access.

Luminaire:
Luminaire shall be Ø15” x 31” tall with a cast aluminum base and a clear textured IES type 5 refractive acrylic acorn globe. Luminaire shall be furnished with a high intensity discharge ballast and a socket assembly.
