

## **PRESCRIPTION DRUG PRICING**

Attached you will find a listing of the top drugs filled by Creighton University Health Plan participants. To determine which health plan is appropriate for you, you will need to know the contracted rates of our prescriptions. The prices listed are based on the contracted rates as of 9/20/07. All prescription prices are subject to change at any time without notice.

### PPO I & II

Generic: \$7.50 co-pay at CUMC

Brand Name Drug: you will pay 25% of the contracted cost up to \$75.00 per month

### CCAP

The full cost of the drug is subject to the deductible, co-insurance, and the out-of-pocket maximum.

All treatment decisions must be made by your physician. Alternative medications listed in this document are to be used only for discussion purposes with your treating physician, and should not be considered treatment recommendations.

If your prescription is not on this list, and you want to know the contracted rate, or you have any questions, please e-mail [benefits@creighton.edu](mailto:benefits@creighton.edu).
