Please list two references. Include name, job title and phone number where they can be reached (no students, please).

1.

2.

On a separate piece of paper, please answer the following and attach it to your application.

1. What aspects of this course most interest you? What do you expect to learn and gain from this experience? How do you expect this will affect you in your profession and/or life?
2. Define “service” and briefly state what it is to you and why you are compelled to apply for this course. Include a brief description of other experiences similar to this one that you have had.
3. Describe the strengths you have and how they will be of benefit in this experience.
4. Explain what you think will be challenging for you about this experience and what you will do to assist in your growth in this area.
5. Describe yourself...what is critical about you that people living with you will cherish, be amused by, need to tolerate, will gain strength through...(would your roommate or a sibling agree with this, or write the same?!)
