Intended Audience
Healthcare Providers, especially those professionals who are in a position to respond to a cardiovascular emergency.

Objectives
1. Achieve 84% or better on a written comprehensive exam.
2. To manage cardiorespiratory emergencies using the systematic ACLS Approach.
3. Resuscitation members will know what to do and when to do it, minimizing the confusion sometimes observed in such situations.

Course Location
All courses will be conducted at the Creighton EMS Education office at 2514 Cuming Street (in the Kellogg mall). Parking is available in front of the office.

Registration Deadline
5 business days prior to the start of class.

Proficiency in BLS recommended.

Employees of CUMC, Resident or Staff Physicians, and Creighton University employees/students must also submit a photocopy of their name badge with the application.

Registration Options/Procedure

Option 1: Paper Registration Form
1. This form is available at the Creighton EMS Education office (280-1280) and the CUMC Human Resources office.
2. Complete the registration form in its entirety. Information on this form is used for billing and tracking purposes and is required to consider the applicant registered for the course.
3. Attach copies of the prerequisites (namebadge, certification card).
4. Attach tuition payment, if tuition is not being paid by the hospital (see Payment Information).
5. Completed registrations must be submitted to: Creighton EMS Education
   2514 Cuming Street
   Omaha, NE  68131

6. Hospital employees may submit applications to Creighton EMS Education via the intercampus mail system or by fax at 280-1288. Applications will not be accepted at the CUMC Human Resources office.
7. Applicants will receive written confirmation of registration and a pretest that must be completed and brought to the class.

Option 2: On-Line Registration through Creighton University Events System
1. Go to: http://events.creighton.edu
2. Persons using this option will receive confirmation of registration for the course via email. Because registration using the on-line system does not allow for the submission of prerequisites, the applicant is required to submit these documents to the Creighton EMS Education office. Registering as an employee of CUMC hospital will be verified with the CUMC Human Resources office.

Disclaimers
1. We reserve the right to cancel a course due to insufficient enrollment. If cancellation is necessary, notification will be made 5 days prior to the start of class.
2. Applicants who have registered for the course, but do not notify the Creighton EMS Education office that they will not be attending the class within 5 days prior to the start of class are subject to forfeiture of tuition paid.
4. The American Heart Association strongly promotes knowledge and proficiency in CPR and ACLS and has developed instructional material for this purpose. Use of these materials in an education course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the association.
