

Dr. Carlos Prendes  
Assistant Professor

Dr. Prendes graduated from the University of Kansas School of Medicine in 1999. He completed his Family Medicine residency at Creighton University Medical Center in 2002. He became board certified in 2002. His professional interests include preventive medicine, healthcare, obstetrics, and risk reduction. He valued his relationship with the whole family and his role as teach and advisor. In his free time he enjoys his wife and two children above all, as well as scuba diving, travel, reading, and fine dining.
