

# Professional Pictures of the White Coat Ceremony

On behalf of the fourth year medical class, welcome to Creighton Medical School!

On Friday, August 10 you will receive your first white coat as you begin your medical career. At the White Coat Ceremony everyone will be individually recognized and receive a white coat on stage. As fourth year medical students, we wish we would have had a professional photographer to capture this moment because it's extremely difficult for friends and family to get good pictures of you as you receive your white coat.

This year, the class of 2008 has arranged for Richmond Photography to photograph the White Coat Ceremony. We were also able to negotiate extremely good rates for the photographs! We will be offering:

5 x 7 photographs for \$10  
8 x 10 photographs for \$15

Pictures will be ready in September and can either be picked up or shipped for a small fee. You can preorder pictures by sending an email to Joey Lopez at [josephlopezjr@creighton.edu](mailto:josephlopezjr@creighton.edu) with the following information: your name, student's name, and the number and size of pictures you would like. You can also order pictures at the Organization Fair on Wednesday, August 8<sup>th</sup> from 11:45 to 1:15 at the Class of 2008 table.

If you have any questions, please contact Joey Lopez at [josephlopezjr@creighton.edu](mailto:josephlopezjr@creighton.edu)
