Re: School of Nursing Uniforms

---

It is important that all Creighton University School of Nursing students wear the same official uniform to let healthcare staff and patients know who you are. Please remember that you are representing a Jesuit university with an excellent reputation. Wear the uniforms proudly and only in clinical areas.

You can check out the navy blue uniforms and white lab coat at the Landau website [www.landau.com](http://www.landau.com) but make sure you limit yourself ONLY to the style numbers listed in the attached pricing sheet. No variations are allowed. Only the Landau lab coat embroidered with the Creighton University School of Nursing logo is considered to be the official lab coat (necessary for Health Assessment and clinicals).

A "Creighton University Landau Pricing Sheet 2007" from Uniforms, Etc is attached to assist you as you complete the attached "Uniform Etc. Order Form".

You can order from Ms. Deb Hopkins using one of four ways:

Phone 402-502-1968

FAX 402-502-1968 (please call first before faxing – same number as the phone)

Mail 17805 Monroe Street, Omaha, NE 68135

e-mail [deb.hopkins@cox.net](mailto:deb.hopkins@cox.net)

Ms. Hopkins is willing to meet personally with you to assist with finding the right fit. You can also see and try on samples of the selected styles at Z-COIL, 14641 Industrial Road (146<sup>th</sup> and L Streets), Omaha, NE 68144, 402-334-2645. Stethoscopes are also available.

- **All orders must be PAID in full before Ms. Deb Hopkins can place the order with the Landau Company.**
- **Ms. Hopkins will deliver the uniforms to the School of Nursing to be picked up or you can pay additional shipping costs to have them sent to your home.**
- **The delivery time after placing an order is approximately two weeks – longer during holiday seasons.**
- **Orders are batched.**
